ub. We need YOUR ideas and YOUR input." - Mrs. Brocksmith

We want everyone to work as a team and join together to help the community, which is why We plan fun things, We want everyone to bond and be friends :) and We formed...:

Committees: In order to fully involve you Interact members, we had an idea to create focus groups in our club for ~~events~~ ~~ideas~~ the such, called . These will generate ideas and put into action new events, fundraisers, etc., and will further spread our Interact awareness. We counted off everyone into 3 groups, bonded, brainstormed ideas, and wrote them on a large paper.
